## Online Hospital and Patient Management Training

Finishing Skills for Nursing Excellence

## Introduction

TAHDCO has collaborated with Apollo MedSkills to implement the Nursing Training Programme called FINE (Finishing Skills for Nursing Excellence).

This initiative aims to provide SC/ST candidates—specifically freshly graduated nurses from 2024 and unemployed nurses from the 2022 and 2023 batches with advanced competency-based training in key areas of nursing practice. Upon completion, candidates will be certified and supported with job placements in reputed hospitals, thereby enhancing their employability and career prospects

# Features of FINE Program

1

A Pre- Screening test will be conducted for those candidates who express their interest on TAHDCO portal to enrol for FINE program

2

Shortlisted candidates will be offered training on FINE program as per the above mentioned details.

3

Internship for all learners will be conducted in selected network hospitals in Tamil nadu. Stipend will be disbursed to learner on successful completion of internship.

6

All the certified learners shall be assisted with the employment by end of the learning program

## Eligibility Criteria

Candidates should belong to SC/ST Category.

Candidates should possess a degree in B.Sc nursing/ GNM(General Nursing and Midwifery / M.Sc Nursing /Post basic B.Sc – Graduated by 2024 and those graduated in 2023 and 2022(Unemployed) are also eligible.
